22nd Sept	Boscastle				

Normally we meet at Okehampton Post Office, ready to proceed to the start point at 9.30 am. We leave by car for the walk and share fuel costs. If you are planning to meet the group at the start of the walk instead, you must let the leader know in advance. Essentials: packed lunch, drinks, boots and suitable clothing for wet or dry weather. Dog owners are responsible for keeping their pets under control at all times. This includes keeping them on a lead when walking through a field of livestock, however well behaved you perceive your dog to be. According to "Access to Land" under the "Countryside & Rights of Way Act 2000", dogs must be kept on a fixed lead of maximum 2 metres between March 1st and July 31st. We walk as a group of friends, all of whom are responsible for their own safety. Neither the club nor the walk leader is responsible for any accident that may occur.
